Comments about [Fire Of God's Love](#) - Sister Irene O'Connor

Xor

There is a reissue dropping next month from Wyrd War.

Weernis

They have not made any effort to contact Sister Irene and have pressed this with no license.

shustrik

Sister Irene has not wanted to reissue it. I've respected her wishes. She's only just starting to become comfortable with doing so.

Rasmus

Wow, that's wild. May I ask you a question then: why have you not reissued this?

Mojind

Wyrd War has not legally obtain the rights to reissue this. Irene is still with us, composing and finalising new material for release. I am a personal friend and Director of Music Domain Pty, her publisher and legal guardian of Irene's intellectual copyright. We have never given authorisation to Wyrd War for this release.

Avarm

What is your reason for saying it is a bootleg? I got a copy and it sounds wonderful, so are you saying they did not legally get the rights?

Buzatus

i dont ever buy reissues but in this case..PLEASE REISSUE.
