Notes

Insert:

"Mt. Eerie Dances With Wolves" (the mountain in the distance is covered in "wolves", or the feeling of "wilderness", and you can tell.)

"Wolf Mountain Howls 'In The World'" (the mountain in the distant is ALWAYS OBVIOUSLY in the same world as you, though you don't visit.)

"the youth we are losing" responds to "Home Alone" by Thanksgiving: "I lost the youth that impressed you, that you liked to think had some meaning."

Labels:

Recorded right onto the lacquer disk on July 6th 2004 at about 9 at night at Corduroy Records Studio & Place outside Melbourne, Australia

The "In / Out Of The World" was solidified the day before on the mountain above Hobart, Tasmania, in snow.
